## **COMBINED PRIMARY ELEVATOR RECEIPT**

### Special Bin Primary Elevator Receipt:

On surrender of this receipt and the payment of any amounts or charges owing pursuant to a contract for special binning, the identical grain will be delivered by discharging the grain into a railway car or other conveyance made available for loading at this elevator.

### Interim Primary Elevator Receipt:

An interim primary elevator receipt must be issued when final quality determination is requested. Upon transmission of the final quality determination (by an inspector or chief grain inspector for Canada on re-inspection) to each party named in the request, the interim primary elevator receipt will be surrendered and replaced by a Primary Elevator Receipt or Cash Purchase ticket stating the same grade and dockage specified in the final determination

### Primary Elevator Receipt:

On surrender of this receipt and the payment of any amount or charges owing, based on the net weight of grain of the grade specified, either a cash purchase ticket will be issued, or like grain of the same quality and quantity described on this receipt will be delivered to the holder of this receipt:

- a) by discharging the grain into a railway car or other conveyance made available for loading at this elevator; or
- b) by discharging not less than a car load of grain, by substituting and combining this receipt and other similar elevator receipts.

**WARNING: The right of the holder of this receipt to obtain delivery of the grain described in the receipt may be altered by the issuer by notice to the last holder known to the issuer. Every holder of a receipt should immediately notify the issuer of their name and address.**
