

Producer and industry request for inspection services- Western Canada Including Subject to Inspectors' Grade and Dockage

Instructions on how to complete this form are on the last page

Date: (dd/mm/yyyy) / /

Section A: Submitted sample

Sample type (select one) Producer submitted or Company submitted

Name (certificate to be issued to)

Address

City/town

Postal code

Contact name

Phone number

Fax or email address

**For company submitted samples only*

If a company submitting the sample is different than identified above, provide the company name and address.

Company name

Address

Section B: Subject to Inspectors Grade & Dockage (including moisture & protein)

Interim elevator receipt number (required)

Producer's information

Producer's name

Address

City/town

Postal code

Phone number

Fax or email address

Primary elevator information

Company name

Address

City/town

Postal code

Phone number

Fax or email address

Section C: Sample information

Sample identification (attach separate piece of paper if necessary)

Commodity (i.e. canola, flaxseed, wheat)

Origin of grain (select one) Canadian Imported Mixed Canadian & Imported

Section D: Canada Western(CW) Grain Declaration (the sample submitted is declared to be)

I as the undersigned, understand and agree that in order to be eligible, the variety must be registered by the Canadian Food Inspection Agency as eligible for the commodity type (e.g. wheat, barley, flax, peas, canola, mustard, etc.). I further understand that, in the case of wheat, barley and flaxseed, the variety must be on the Canadian Grain Commission Variety Designation List.

Name (print):

Signature:

Is the submitted sample a variety registered by the Canadian Food Inspection Agency? Yes No

Declare the applicable barley or wheat class by selecting one of the classes listed below

Wheat class (select one)

CW Amber Durum

CW Extra Strong

CW Special Purpose

CW Hard White Spring

CW Red Spring

CW Red Winter

Other:(specify)

CW Soft White Spring

Canada Prairie Spring Red

Canada Prairie Spring White

Canada Northern Hard Red

Barley class (select one)

Food

General Purpose

Malting

Section E: Service requested

Inspection of submitted sample

Grade and dockage

Moisture (moisture proof container required)

Protein

Other factor (specify)

Analysis only (specify)

Analytical Testing

Entomology (Berlese extraction method)

Falling number

Oil content

Vomitoxin (DON) - ELISA technology

Other (please specify)

****IMPORTANT****

A minimum of 1000 grams is required for an inspection of a submitted sample, analysis only, and each analytical test requested

Section F: Method of payment:

Cash (in person payment only) Personal cheque (payable to the Receiver General for Canada)

Credit card

You may pay by American Express, MasterCard or Visa. Credit card payments can be made over the phone. Do not send credit card information by email or fax. Once a credit card payment is processed, the Canadian Grain Commission destroys all credit card information.

Bring your sample or send it by mail or courier to one of the following CGC offices listed below:

<input type="checkbox"/> Weyburn	#105-117 3 rd St.NE Weyburn SK S4H 0W3	306-848-3350

Instructions on completing I-106 form

The I-106 form is a multipurpose form intended for use by both producers and companies to request services of the Canadian Grain Commission (CGC). Clients requesting inspection of a **submitted sample*** (including an analysis only) or a disputed sample under **Subject to Inspectors Grade and Dockage**** are required to complete this form. Section A and B are different, fill out either section A or B, not both.

***Submitted sample:** is an unofficial sample provided by either a producer or a company. It is important that the sample be as representative of the lot as possible, however the certificate issued by the CGC pertains only to the sample submitted and not to the entire lot of grain from which you take your sample. Clients requesting this service are required to complete sections A, C, D, E and F only. (*Section B is left blank*).

****Subject to Inspectors Grade and Dockage:** is a mechanism to resolve disputes of grain grading for producer deliveries made into a primary grain elevator, and is binding on both parties. Producers (or the individual delivering grain on behalf of the producer), at the time of delivery, have the right to request an official and binding assessment of the grain quality, dockage and/or protein content. A representative sample, agreed upon by the producer (or the individual delivering on the producer's behalf) and the elevator operator, is sent to the CGC in a container that will maintain the integrity of the sample. Clients are required to complete sections B, C, D, E and F only. (*Section A is left blank*)

SECTION A: SUBMITTED SAMPLE

- Select the appropriate sample type; producer or company submitted
- Complete the name and address sections. The certificate is issued and mailed to the name and address provided
- The phone number/contact name will be used to contact you if any information is incomplete or missing
- Provide an email address or fax number to receive a copy of the certificate if desired

SECTION B: SUBJECT TO INSPECTORS GRADE AND DOCKAGE

- Provide the interim receipt number. The licensed company is required to issue an interim elevator receipt for the delivery which is being disputed. The interim elevator receipt number forms part of the sample identification on the CGC certificate issued.
- Provide both the producers' information and primary elevator information involved in the dispute. Both parties will receive a copy of the analysis independently, on a CGC certificate

SECTION C: SAMPLE INFORMATION

- Provide a sample identification which is identifiable to the client submitting the sample; such as bin number, railcar number, etc. The same sample identification cannot be duplicated within the same crop year
- Provide the commodity
- Select the origin of the grain

SECTION D: CANADA WESTERN GRAIN DECLARATION

- Read the affidavit, print and sign your name indicating you have read and agree with the statement. The variety designation lists, maintained by the CGC, for Canadian wheat, barley and flaxseed are available online at: <http://www.grainscanada.gc.ca/legislation-legislation/orders-arretes/ocgcm-maccg-eng.htm>
- Select whether or not the sample is a variety registered by the Canadian Food Inspection Agency. The list of registered varieties is available on the Canadian Food Inspection Agency website at <http://www.inspection.gc.ca>
- Declare the applicable class for all barley and wheat samples.

SECTION E: SERVICE REQUESTED

- Select the services you are requesting; inspection of a submitted sample, analysis only and/or analytical testing
- For an inspection of a submitted sample, the certificate issued will provide only the specific grading factor(s) relevant for the assigned grade. If a specific grading factor is requested, indicate your request in the "Other factor" space provided. For example: % *fusarium damage*, % *distinctly green*. Additional service fees may apply.
- When requesting an analysis only, indicate your request in the analysis only section. For example, protein only or dockage only. For analysis only, no grade and dockage are provided, only the analysis as requested. Additional service fees may apply.
- If other analytical testing is requested, in addition to those provided, indicate your request in the "Other" space
- A minimum of 1000 grams is required for an inspection of a submitted sample, analysis only and each analytical test requested. For example, if a client requests grade and dockage, moisture and protein for a wheat sample a minimum of 1000 grams is required. If a client requests grade and dockage, moisture and protein and a falling number for a wheat sample, a minimum of 2000 grams is required.

SECTION F: METHOD OF PAYMENT

- All services and fees are available online at <http://www.grainscanada.gc.ca/services-services/sfm-msf-eng.htm#>
- Select the method of payment; cash, cheque or credit card
- If you are sending payment by cheque and are unsure of the fee, please contact a CGC office for confirmation.
